CLICKER®

The Evolution continues.

Introducing the new Flush Clicker® Lavatory Drain, our newest addition to the growing family of Clicker® Lav Drains. Using the same dependable Clicker® Mechanism that OS&B™ invented 20 years ago, and also available in our new Polished Nickel PVD Finish, our new Flush design Clicker® Lav Drain offers a modern and clean aesthetic.

For more information contact your OS&B™ Representative or log onto www.osb.ca/products/ads/flush-clicker
