

Effective: June 1, 2025

## Our story. Ok, done... so, how can we help?

Proudly Canadian owned and operated, +osb has been a leader in plumbing solutions for over 50 years. What began as a commitment to quality and innovation has grown into a trusted brand recognized for precision, reliability, and customerfocused service.

Our foundation is built on integrity, craftsmanship, and innovation. We believe in designing products that not only meet industry standards but set new ones—ensuring that every solution we offer brings innovation, durability, and ease of installation.

Beyond our products, we take pride in our partnerships. Whether it's supporting our valued customers, empowering our agents, or collaborating with industry professionals, we are committed to building lasting relationships and delivering excellence at every touchpoint.

Thank you for being part of our journey. We look forward to continuing to serve you with the same dedication and passion that has defined us from the beginning.

and done.

1975 - 2025

Great products. Great service. Trusted for 50 years.

We are Canadian!

### 2025 + beyond

Great products. Great service. Trusted for 50 years.

Still Canadian!

# TERMS AND CONDITIONS OF SALE

PRICES: Printed prices are in Canadian Dollars and are LIST. Prices do not include and are subject to all taxes

including GST, QST and/or HST. Orders are subject to PST if applicable. Freight charges are extra, if applicable (see freight terms below). Prices shown on order acknowledgements or invoices will be honoured even after an effective price increase. Prices are subject to change without notice and

supersede all previous prices or quotes.

**QUOTATIONS:** Written quotations by +osb™ automatically expire 30 days from date of quotation unless otherwise

indicated and are subject to termination by notice from +osb<sup>™</sup> within that period. An +osb<sup>™</sup> QUOTE NUMBER must be clearly indicated on all Purchase Orders in order to qualify for the quoted pricing.

**TERMS:** Standard and are subject to +osb™ terms qualification.

FREIGHT: Freight is prepaid anywhere in Canada on minimum orders of \$1250.00 net.

FOB Shanty Bay, ON for any orders less than \$1250.00 net.

Shortage claims must be reported within 48 hours of receipt of goods or shipment is considered complete. Air Freight can be arranged with a Customer Courier Account number. We'll gladly pre-

pay and charge at cost (usually by UPS Ground). Minimum charge of \$5.00 applies.

**ADD-ONS:** For orders not yet shipped or processed, add-ons will be accepted.

Add-ons to back orders cannot be accommodated. Please place a new Purchase Order.

**BACKORDERS:** Back orders will be shipped unless noted otherwise on the Packing Slip.

All back orders are freight prepaid. Drop-shipment back orders will automatically be cancelled. At

time of order please advise if back orders should be automatically cancelled.

**RETURNS:** Please contact +osb™ for a written Returned Merchandise Authorization (RMA) number. No material

shall be returned to +osb™ without an RMA number from +osb™. All RMA returns must be returned prepaid. Collect RMA return shipments will not be accepted. A 25% re-stocking charge will be applied to all returned stock. Material found to be defective will receive full credit. Product must be in re-sellable condition. Products deemed obsolete, special or made-to-order are non-returnable.

**MAP POLICY:** Please visit https://www.osb.ca/company/terms-conditions.

**WARRANTY:** +osb<sup>™</sup> products are warranted for 5 years, from date of purchase, against workmanship and/or

material defects only. Exception: Flex Connectors are warranted for 1 year, from date of purchase, against workmanship and/or material defects only. +osb™ is not responsible for any labour incurred

to replace or repair product.

**TRADEMARKS:** 

**LIABILITY LIMITATION** +osb™ liability shall in no event exceed the total purchase price of the product. +osb™ shall in no

event be responsible for any loss of business or profits, downtime or delay, loss of property, repair or material costs or any consequential loss or damage associated with the product. +osb™ shall not be held liable for any product failure due to abuse, misuse, misapplication or improper installation.

**NOTE:** +osb™ reserves the right to correct errors in product specifications or prices due to typographical,

clerical or engineering errors. +osb™ also reserves the right to change product specifications, design, construction or any of the aforementioned Terms & Conditions of Sale without notice.

# New Logo? Check. New Look? Check. New Website? Double Check!

We're thrilled to announce the launch of our brand-new website! Designed with you in mind, our new platform is more content-rich and user-friendly than ever before. Here's what's new:

- High-resolution, downloadable product images
- Exploded product views & dimensional drawings
- Enhanced mobile-friendly design
- More comprehensive search function
- New competitive cross-reference tool

This is just the beginning! Our website will continue to evolve with new features and enhancements to improve your experience. Stay tuned for more updates, and thank you for being part of this exciting transition!

### Cross it. Match it. Done.

Our new Cross Reference Tool makes it easy to find the matching +osb™ part by simply entering a competitor's part number. If there's no match yet, just submit a request and we'll get to work. Fast, accurate, and built to make your job easier.

# Finally, a Bath Waste that won't waste your time.

Introducing the 2-in-1 Total 1™ Bath Waste system with Offset & Direct waste configurations in one bag and no wasted parts!

Why carry two bath waste kits when one does it all? Our 2-in-1 design covers both key configurations, saving you space, time, and money. One kit, every job, zero hassle.

#### Side Discharge Drains: Because Jackhammers shouldn't be part of the job!

Say goodbye to breaking concrete with our Side Discharge Shower Drains.

Perfect for converting tubs to showers in concrete floor applications, this clever design connects to existing plumbing without the need to dig into the slab. It's the smart, clean, and efficient way to streamline your shower installs.

and done.
